### Dear Friend,

We are pleased to send you our monthly e-newsletter containing our latest products and news.

We recently launched our updated website with more functions and product info and specs, make sure you visit us at [www.panelworx.com](http://www.panelworx.com).

In addition of our updated design in this issue we will present you the newest products we have introduced recently.

Feel free to contact us with any questions or comments you may have at [info@dynics.com](mailto:info@dynics.com).

### Introducing the PDS-42UT Mobile Kiosk

PanelWorx introduces its newest PDS Mobile Kiosk: the PDS-42UT. It features a 42" TouchScreen Display in an Stainless Steel Finish.

This Ultra-Thin model can be configured to be a light duty outdoor/indoor with sealed water resistant shell.

**KioskCom 2009 - Mandalay Bay Casino in Las Vegas, NV was a Great Success!**

This year we attended to the prestigious Kioskcom '09 Self Service Expo in booth #642 where we introduced the PDS-42UT and PX-2200 Widescreen models mentioned above.

We also had a chance to meet many of you who stopped by and said hello! If you would like to learn more about these exciting new products, visit our website at [www.panelworx.com](http://www.panelworx.com) or email us at [sales@dynics.com](mailto:sales@dynics.com).

All of our products are throughrouly tested to ensure they arrive at your location in prime condition and ready to work.

Buy with confidence, buy in America.

We proudly design and build our products in our Ann Arbor, Michigan facility which will endure years of public use.

Make sure you add our email address to your contact list to ensure you keep receiving our e-Newsletter.

Your feedback is important to us. Please [contact us](#) with your comments and/or questions.

Sincerely,

Marc Drenning
